

10 December 2009

Dear Mr. [REDACTED],

On behalf of the IFAD Security Section, I would like to personally thank you for your professional contribution to the IFAD Security Awareness Training for Female Travellers on the 2nd and 4th of December 2009.

As you know, this was the first time that IFAD provided a basic introduction of self defence to it's staff and the feedback from the participants was very positive. The practical and simple techniques you explained and taught the women facilitated us to achieve our objective.

Again, thank you for your excellent collaboration.

Yours sincerely,

[REDACTED]
Chief of Security
